Send payment to: Geo-Institute of ASCE
ASCE Federal ID#: 1801 Alexander Bell Drive
13-1635293 Reston, VA 20191-4400

BENEFITS OF G-I MEMBERSHIP

- The bi-monthly *Geo-Strata* magazine
- A free membership in ISSMGE (International Society for Soil Mechanics and Geotechnical Engineering)
- Sizeable discounts on hundreds of publications, seminars and conferences
- Participation in and use of the online Speakers Bureau
- Comprehensive Awards Program for you to gain professional recognition
- Numerous networking opportunities to exchange ideas, sharpen your skills
- Technical Committee and Task Force participation
- Educational mentoring opportunities
- Local geotechnical group opportunities
- Opportunities to influence Congressional and Federal Agency policy
- Personal affinity programs
- ...plus, numerous other benefits available to ASCE/G-I members

CODE OF ETHICS

FUNDAMENTAL PRINCIPLES

Geo-Institute Members uphold and advance the integrity, honor and dignity of their profession by:

1. Using their knowledge and skill for the enhancement of human welfare;
2. Being honest and impartial and serving with fidelity the public, their employers and clients;
3. Striving to increase the competence and prestige of their profession; and
4. Supporting the professional and technical societies of their disciplines.

FUNDAMENTAL CANONS

Geo-Institute members shall

1. Hold paramount the safety, health and welfare of the public in the performance of their professional duties.
2. Perform services only in areas of their competence.
3. Issue public statements only in an objective and truthful manner.

4. Act in professional matters for each employer or client as faithful agents or trustees, and shall avoid conflicts of interest.
5. Build their professional reputation on the merit of their services and shall not compete unfairly with others.
6. Act in such a manner as to uphold and enhance the honor, integrity, and dignity of their profession.
7. Continue their professional development throughout their careers, and shall provide opportunities for the professional development of those professionals in the geo-industry under their supervision.

I authorize the Institute to verify the information contained in this application and, to that end, to contact any educational institution, professional society, publisher, employer or other entity named or identified in this application or in any document submitted in support of this application. I hereby consent to and authorize the release and disclosure to the Geo-Institute of any information, records or correspondence as required to verify the information in this application, which is held by any such entity identified in this application.
